2021 Campership Application

Indian Creek Camp (ICC) believes every child should be able to attend camp. We have been blessed with a network of churches that also believe this and provide financial assistance to those who need it. By filling out this application and returning it to us, you are giving us permission to share the information with a church that helps sponsor campers to ICC. ICC and our participating churches are committed to making it possible for your camper to attend regardless of their religious beliefs or affiliations.

In order to be considered for financial assistance, please complete the steps below:

- A) Fill out this application **completely (2 pages)**.
- B) Register your camper at www.indiancreekcamp.com Please note that step B will not be saved unless you complete step C when registering.
- C) Pay the \$50 registration fee (if you are unable to pay the registration fee please email or call us to be considered for a waiver of the fee). We are committed to providing the financial assistance you need so your child can attend camp but if for some reason we are not able, the \$50.00 registration fee will be fully refunded.
- D) Submit this application: email to youth@kytn.net, fax it to (615)859-2120 (Attn: Youth Dept) or mail it to Indian Creek Camp, PO Box 1088, Goodlettsville, TN 37070.

How would a week at ICC benefit your child?

Indian Creek Camp and participating churches would like to give as many kids as possible the opportunity to attend camp, so we are only able to award financial assistance toward one session of camp per camper per summer. Please be aware that while you may have received financial assistance previously that does not automatically ensure that you will be awarded one this year.

Priority to applications will be considered on a first come, first served basis. Because applications are reviewed in the order they are received, we recommend that you submit your completed application at least 30 days before the session starts. But keep in mind that our funds may be depleted or space may be sold out by that time. Please don't delay.

Applications will be accepted until May 31, 2021 if funds are available and camp is not full.

Once the application is submitted the parent/guardian, listed on the application, will receive a confirmation email within a week confirming that we received the application. Please allow around 3 weeks for your application to be processed. Once processed you will receive a phone call and/or email regarding the amount of financial assistance being awarded.
